

## It's a Jungle! Fact Family Back and Forth

**Materials:** One number cube, one game piece, and the game board. **NOTE:** Players share the same game piece.

### Directions:

1. Put the game piece on the START space. Both players use the same game piece.
2. **Player 1:** Roll the number cube and move that many spaces toward your home space. Find the sum of the fact you land on. Record the fact family in your math journal.
3. **Player 2:** Repeat the same steps, only move the game piece toward your home space.
4. The winner is the first player to reach his or her home space or the player closest to his or her home space when the game ends.
